### ELEVATING BUFFET PRESENTATION

Welcome to our NEW Buffet brand - PODIUM

Created in collaboration with experts, PODIUM is a modular display solution that provides more flexibility than ever when it comes to creating beautiful displays. PODIUM is a range of high quality products manufactured in the UK from Sustainable FSC Certified European Prime Oak.

Within a demanding hospitality and catering environment, creating eye-catching buffet displays can be especially daunting. PODIUM being a modular display solution comprising Trolleys, Trays, Box Risers, Bread Bins, Tea Chests and Buffet Trolleys makes it an easy process to build your buffet display. The system of modular interchangeable stackable components offers great versatility in tailoring your displays making it easy to switch from a breakfast presentation with breads and pastries, to a hot display of main courses for a lunch service.

These intelligently designed PODIUM products enable operators in the catering and hospitality industry to optimise food and beverage presentations by providing easy display solutions allowing for multiple configuration options.

From tea-coffee stations or pop-up island bars to room service, PODIUM is a perfectly tailored solution. Whether used in board rooms, conference facilities, hotels, restaurants or even spas, our new PODIUM range offers great flexibility to present food and drink displays, elevating your buffet presentation.

The display possibilities are endless with Podium.

# TROLLEYS

Podium trolleys offer multiple configuration options. The presentation surfaces can be extended to tailor your F & B presentation needs. You can maximise the surface utility with additional accessories, including inserts, boxes, tea chests and trays. With shelves and a folding surface design, each trolley offers an adaptable display solution for both single and double-sided service. The trolleys come in four beautiful colours: Black, Grey, Dark Brown and Natural.

Please note that the Podium Boxes, Inserts and Trays are designed in a way to slot in perfectly to these trolleys. The size guide will help you in making decisions: See Page 11

# BOX INSERTS

The Podium box inserts are intelligently designed to allow a myriad of variations and combinations to your unique display needs. Inserts can be added or removed based on how you wish to tailor your display and can also be used for single serves. Place the right size insert on the box to fit in crocs or GN pan/platter of your choice.

Please note: Select the appropriate depth box - Crocs require 120mm deep boxes, 65mm GN's require 80mm boxes for example.
