“Without the VarioCookingCenter® I feel like I need another chef with me in the kitchen.”

Craig Coady, Development Chef, LovingSalads, Cork, Ireland

“The VarioCookingCenter® is very easy to use. If you are preheating the pan, the temperature you choose is exactly what you are getting. Things don't burn, you can set it off on a program, leave it going and it's like having a chef standing over it.”

Conor McKinney, Executive Head Chef, Royal Foresters, Ascot, England

“We were looking at getting another SelfCookingCenter®, but we soon realised the potential of using it in conjunction with the VarioCookingCenter®, and once that possibility was in play, it became irresistible!”
