ECOSHOW

Products have never looked so good

○ Efficiency meets stunning display, with the new EcoShow. With an 80% energy saving on previous models and our new revolutionary uplighting, your products have never looked so good.

○ Designed using cutting edge CFD modelling technology for genuine temperature retention, you can be confident that food will stay fresher for longer.

Frameless glass doors **save you 80% on energy** compared to doorless models

Our **extraordinary uplighting** uses LED lighting (patent pending) with new anti-glare feature

Swivel braked castors as standard for easy movement

Maximum visibility through the side panels for **enhanced visibility** of content

The EcoShow range can store **between 306 and 884 cans** – and that's without double stacking!

All models fitted as standard with our award winning **+STAYCLEAR** low maintenance condenser.

Interest-free credit available over 24 months **ZERO%** (UK only)

Pro and Slim Multideck Display Chillers

Stylish performance merchandisers

- From convenience stores and cafes to bakeries and supermarkets, Foster Pro and Slim Multideck Display Chillers ranges offer the perfect solution to suit all budgets and every possible business application.

Brilliantly bright LED lighting lasts 10x longer than fluorescents and saves you money.

Designed using cutting-edge 'CFD' modelling technology for **genuine temperature retention** ensuring food stays fresher for longer.

Enlarged thick toughened glass walls for maximum display and enhanced safety.

Huge capacity – Foster Multidecks are in a league of their own:

- Slim Multidecks stock 3 sandwich packs deep on a slimline footprint
- Pro Multidecks hold 7 coke bottles deep and over 5 display levels.
