

SAMSUNG

DV16T8520BV Heat Pump Dryer

Key Features

Power Supply	13 amp plug
Washer Capacity	16kg
Programmes	14
Gross Dimensions	W746 x D885 x H1086mm
Body Finish	Black Caviar
Energy Rating	A+++
Energy Consumption	304 kWh per year
Cycle Time	340 minutes
360 Airhole	Even distribution of air
Reversible Door	Yes
3 Layered Filter System	Reduces dust on clothes
Stacking Kit	SKK-ATV/SA (sold separately)
Warranty	2 Years Parts and Labour
Delivery	2-3 working days (Free)

Heat Pump Technology

By reheating the air in the drum it's gentler on even the most delicate of delicates. And it means you'll use less electricity compared to a traditional condenser or vented tumble dryer, making it kinder on your bills.

Smart Things

With an easy to use control panel, this dryer remembers your laundry habits and suggests your favourite cycles first. Want to make things even simpler? Use the Smart Things app to schedule your cycles and get guides to find the perfect setting.

Physical Specification	
Nett Dimensions (mm)	W686 x D844 x H984
Gross Dimensions (mm)	W746 x D885 x H1086
Nett Weight	74kg
Gross Weight	78kg
Drum Material	Stainless Steel
Loading Capacity	16kg

Performance	
Energy Rating	A+++
Energy Consumption	304 kWh per year
Cycle Time	340 minutes
Type of Dryer	Hybrid Heat Pump
Condensation Efficiency	B
Noise Level (Dry)	63 dB
Refrigerant Type	R134a
Refrigerant Charging	0.58kg

Feature	
Interior Drum Light	Yes
Smart Control	Yes
Smart Check	Yes
Child Lock	Yes
Door Lock	Yes
Drum Type	Diamond
Drying Rack	Yes
Drying Time Selector	Yes
Filter Check Indicator	Yes
Mixed Load Bell / Damp Alert	Yes
